CANAL OVERSEAS AFRICA: PIONNIER OF HIGH DEFINITION IN SUB SAHARAN AFRICA

CANAL OVERSEAS AFRICA announces the launch of High Definition for the first time in Sub Saharan Africa (except for South Africa). Subscribers to the CANALSAT HORIZON channel package will therefore be the first to benefit from this technological innovation.

Starting December 8th 2009, CANAL+ and CANAL+ CINEMA will be available in High Definition via the CANALSAT HORIZONS channel package. From then on, subscribers will take full advantage of the greatest programming available on these two channels with unique high quality sound and resolution in the 16:9 format.

Jean Noël Tronc, Chief Executive Officer of CANAL OVERSEAS AFRICA, declares that "with the recent launch of the High Definition and the PVR option last October, CANAL OVERSEAS AFRICA asserts its constant engagement to offer the best service to its subscribers whilst staying on the peak of technological innovation.
